

ETHICS, STIGMA, AND RESEARCH WITH VULNERABLE STUDENT GROUPS

Special attention will be paid to ethical issues inherent in community-engaged research and the protection of students and individuals from stigmatized groups.

Join us for a discussion with diverse stakeholders interested in collegiate recovery research.

**NOVEMBER 4TH, 2019 | 5:30 PM TO 6:30 PM
SCHOOL OF MEDICINE EDU BLDG RM #1670**

Discussion led by the UCR Office of Research Integrity:
Dario Kuzmanovic, Assistant Vice Chancellor Research Integrity and
Heather Fonteno, IRB-Clin/Pro Analyst Office of Research Integrity

Space is limited, RSVP here: <http://bit.ly/2MTOZyB>

Recordings of this training will be available on our website:
