

**FEEL GREAT. HYDRATE.**  
UCR HEALTHY BEVERAGE

# UCR Water Is Safe.

**According to Riverside Public Utilities, Riverside conducts more than 22,000 water quality tests a year. This helps to detect more than 200 contaminants that may affect our groundwater resources.**

**WE RECEIVE OUR GROUNDWATER FROM THE  
SAN BERNARDINO, BUNKER HILL AND  
RIVERSIDE BASINS.**
